

Therizinosaurus

A pattern for a paper mache dinosaur sculpture, by Jonni Good, at UltimatePaperMache.com/dinosaur

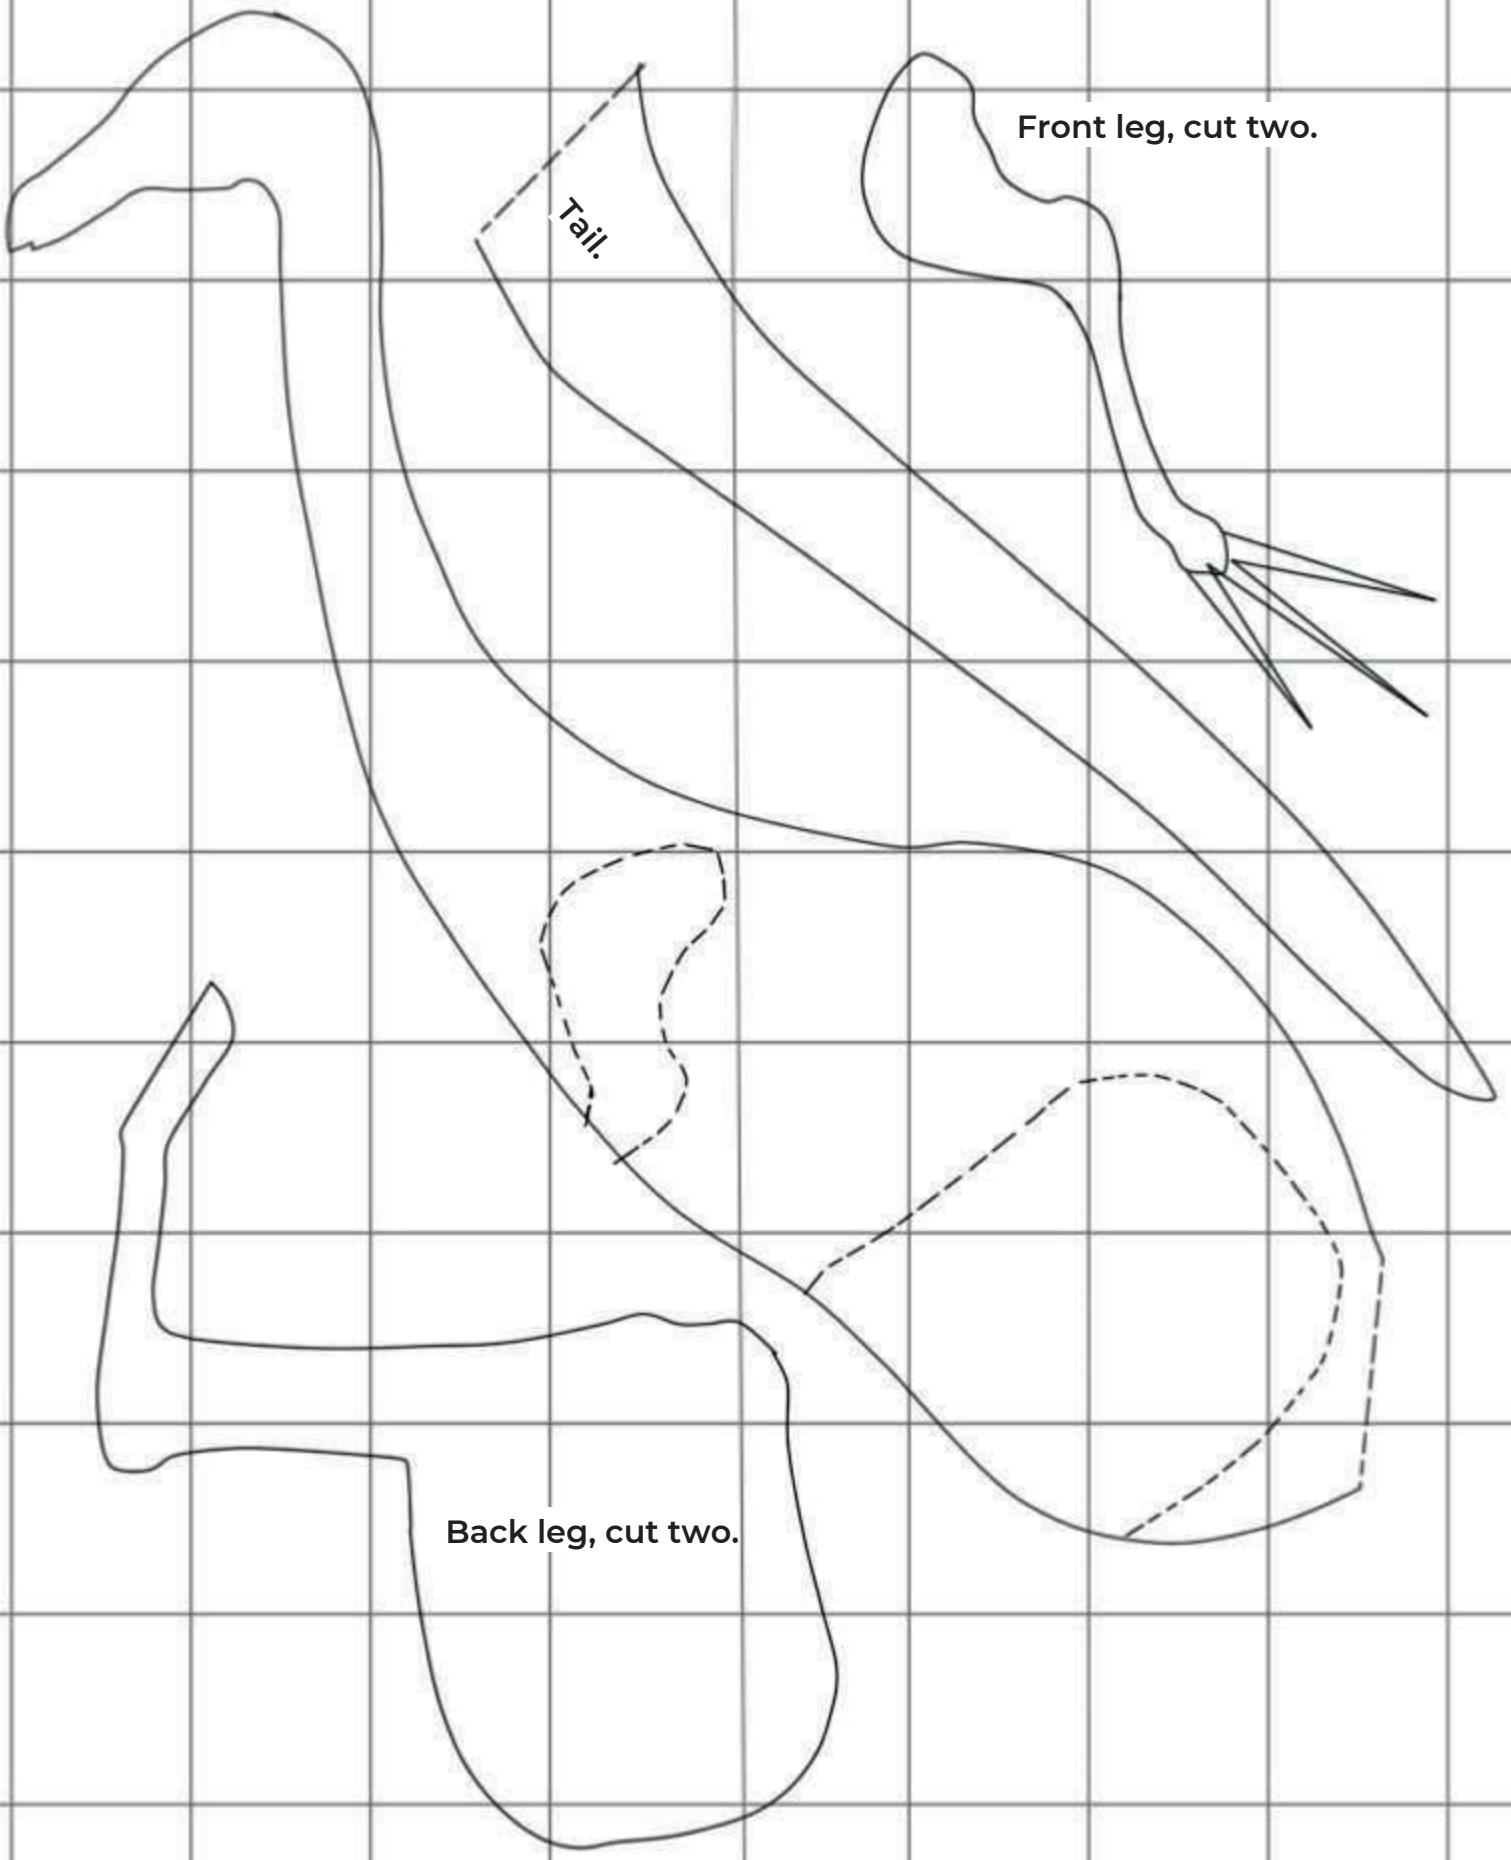

Pattern on next page.

To enlarge the pattern with the grid system, or to make a pattern of your own with different shapes than mine, see my video at <https://youtu.be/ywViyxgbPUg>

Also be sure to download the FREE PDF: [5 Best Recipes for Paper Mache](#)

What a Therizinosaurus might have looked like - but it's just a fanciful guess. You can find more information about this dinosaur to help you decide how your own sculpture should look at: <http://dino.wikia.com/wiki/Therizinosaurus>

Tail.

Front leg, cut two.

Back leg, cut two.
