

## Ultimate Paper Mache

### Pattern for a Bongo Antelope Wall Sculpture

To use the pattern watch the video here:

<https://www.ultimatepapermache.com/bongo>

There are five pieces – one pattern for the ears, and four patterns for the head. You don't need to cut out the horn – I just put it there to help you visualize where the horns should be attached.

The pattern pieces on the following pages should be taped together as shown below before cutting the head from cardboard:
